**The latest version of Global Shop is required for delivery.**

By accepting the Quote through the Service Web, you will be letting us know your intent for us to do the work, however a signed Quote and a Purchase Order are required in order to proceed with the project. These documents can be sent via email direct to your account representative, **Cristina Patton (CPatton@gssmail.com)**. If your quote has expired, please let your account rep know and we will re-evaluate.

All quotes over 20 hours may require a down payment in order for the project to begin. The receipt or confirmation of payment will be required in these cases. Any discovery charged during the quoting process will be credited towards the down payment required or to the final billing of the project.

Customer initiated change requests or deviations from the above specification will be processed through Global Shop Solution's change management process and result in a quote revision being generated. Any time already applied in generating the original specification or developing the project will be rolled into the

total quote amount. A signed copy of the new quote revision will be required before any work will continue on the project.

The customer maintains the right to cancel the project at any point in it's life cycle. However, any costs incurred up to the point of cancellation may and will be billed to the customer by Global Shop Solutions.

Training is not included unless otherwise specified on the quote. Training can be included as an item on the quote upon request or can be scheduled in an individual VT session.

Completed projects will be serviced by Global Shop Solutions while the customer is current on their retainer, unless otherwise specified on the quote. Completed projects are the sole property of Global Shop Solutions.
